

2022 YEAR END REVIEW

In October of 2021, our church started a spiritual journey together, called **Journey 12:24**, with the hopes of seeing the Word of God grow and multiply in Cleveland County and beyond. Some tangible goals that we have set for this journey are constructing a permanent home for our Upper Cleveland Campus, improving our Kids' facilities at our Shelby campus through a new playground, and planting Hope Community Church Hickory. It is so exciting to see how God has moved as you have asked what sacrifice means to you and obeyed His call on your life for generosity. Thank you for partnering with us in the work of the gospel!
